

EVERYONE CAN DO SOMETHING

How Does Supporting Circle of Care Look in 2019?

It is only with your faithful support that Circle of Care is able to **meet the needs** of the children and families we serve through Foster Care, Preparation for Adult Living (PAL) and Pearl's Hope (PH) Transitional Living. And, it is only with your support that we have been able to **expand our programs** to serve MORE individuals today than ever before!

Our clients' needs have **gradually changed** over the years as our programs and services have evolved. We wanted to take a moment to update you, our partner, and clarify those needs so that together we can make the greatest impact!

We hope the lists below support you in becoming engaged in providing **help, healing and hope** in ways that are mutually meaningful to you and those in need!

Circle of Care gratefully **accepts** the following types of client support:

1. Prayer, birthday cards
2. Bibles, for all ages
3. Target or Wal-Mart Gift cards
